

Hi Ho Silver Resources Maintains Its Grasset Dome Nickel Prospect

VANCOUVER, CANADA, November 13, 2014 – Hi Ho Silver Resources Inc. (“Hi Ho” or the “Company”) (**CSE: HHS**) Hi Ho Silver Resources Inc. (HHS CSE) wishes to state that it has today received from Mr. Glenn Griesbach a formal Termination Notice for a Memorandum of Understanding (MOU) effective today. The terminated MOU dated September 22, 2014, was completed and signed September 24, 2014, and covered the anticipated final agreements on claims held by Mr Griesbach and associates in northwestern Quebec.

Mr Greisbach’s statement, released to Stockwatch today November 13, 2014, referred to his earlier correspondence with Hi Ho which stated that no MOU covering the properties existed. Hi Ho advised Mr Greisbach on November 11, 2014, that an executed MOU was in effect covering the properties, and requested a discussion of his demand prior to any further action. No discussion preceded today’s statement.

GRASSET DOME PROPERTY,

Hi Ho Silver Resources Inc. owns 100% interest in claims covering 6,825 hectares, termed the Grasset Dome property, lying 2 km north of Balmoral Resources’ nickel discovery in the Grasset Lake area of northwestern Quebec (Hi Ho press releases June 12, June 18, July 29, 2014). The Grasset Dome property is owned outright, and is separate and distinct from any property referred to in the Griesbach release. Hi Ho is in the process of evaluating data and designing an exploration program recognizing the presence of ultramafic rock units favourable for nickel deposition within historical drill holes on the Grasset Dome property.
