No fractional Common Shares or Existing Warrants will be issued as a result of the Consolidation. In the event a holder of Common Shares would otherwise be entitled to receive a

fractional Common Share or Existing Warrant in connection with the Consolidation, the number of Common Shares or Existing Warrants, as applicable, to be received by such shareholder will be rounded down to the next whole number for no additional consideration.

Pursuant to the provisions of the *Business Corporations Act* (British Columbia) and the Articles of the Company, the Name Change and Consolidation were approved by way of resolutions passed by the board of directors of the Company. Letters of transmittal with respect to the Name Change and Consolidation will be mailed out to the Company's registered shareholders after the Effective Day. All registered shareholders will be required to send their share certificates, along with a properly executed letter of transmittal, to the Company's registrar and transfer agent, Odyssey Trust Company, in accordance with the instructions provided in the letter of transmittal. Until surrendered, each certificate formerly representing Common Shares will be deemed for all purposes to represent the number of Common Shares to which the holder thereof is entitled as a result of the Consolidation. Shareholders who hold their Common Shares through a broker, investment dealer, bank or trust company should contact that nominee or intermediary for assistance in depositing their Common Shares in connection with the Name Change and Consolidation. This news release does not constitute an offer to sell or a solicitation of an offer to sell any of the securities to, or for the account or benefit of, persons in the United States or U.S. persons. The securities have not been and will not be registered under the United States *Securities Act of 1933*, as amended (the "**U.S. Securities Act**"), or any state securities laws and may not be offered or sold to, or for the account or benefit of, persons in the United States or to U.S. Persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.

The Company expects certain related parties as defined in Multilateral Instrument 61-101 - *Protection of Minority Security Holders in Special Transactions* ("**MI 61-101**") to participate in the Offering. The Company expects that any such resulting related party transaction will be exempt from the formal valuation requirement of MI 61-101 because the Company is not listed on specified markets and will be exempt from the minority shareholder approval requirement of MI 61-101 because the Offering does not have a fair market value of more than \$2,500,000. The Company expects that the closing of the Offering will occur within 21 days of this announcement and that it will not file a material change report in respect of the related party transaction at least 21 days before the Closing Date. The Company deems this circumstance reasonable and necessary in order to complete the Offering in an expeditious manner.
